The “Club of the Future” is the catch phrase of the decade, meaning that clubs must develop significant programs to serve the needs of their members in order to survive and maintain their reputation as the finest in the country. Youth Programming is a very significant service that clubs are now offering and will enhance your members' experiences. Whether your club has a youth program or not, there are certain fundamentals every program must have to be a success. Innovative programming entails focusing on taking your program to the next level and go beyond the ordinary. Your club can be the “Club of the Future” with innovative, fresh and exciting Youth Programming and this presentation will help you in your endeavors
