Dear Members and Friends of NJCMA:

The New Jersey Club Managers Association cordially invites you to participate in the **2019 New Jersey Club Foundation Golf Tournament** on Monday, August 19, 2019 at the newly renovated **Upper Montclair Country Club** located in Clifton, NJ. General Manager, Charlie Dimpfl, CCM, and his entire staff have been working diligently in conjunction with our tournament committee to provide all attendees with an unforgettable day of golf, camaraderie, fellowship, and stellar food, beverage and service indicative of **Upper Montclair Country Club**. This is a rare opportunity for you to seize the opportunity to experience **Upper Montclair Country Club** while supporting the New Jersey Club Foundation. It is only through your generosity and participation that we can continue our passion to help those in need.

Proceeds from this year's tournament will support:

Christine's Hope for Kids Foundation- The mission of Christine's Hope for Kids is to help less fortunate children; and to support local community agencies to work with and benefit children in need. Whether we are supporting children to attend camp, holding book fairs, or packing pajama bags for children in shelters, we believe that it is the little things that can and do make the greatest impact in a child's life. The Foundation strives not only to raise money, but also to teach and communicate the idea that every person can make a difference. In keeping with this positive concept, the Foundation hosts school events and programs that allow young students to directly help less fortunate kids in our own communities. Christine's Hope for Kids partners with other local agencies to make a myriad of activities available to children regardless of their circumstances, allowing kids to just be kids. Via activities such as summer camps, sports programs, swimming lessons, music, art and photography classes, the Foundation looks to further Christine's legacy and maintain momentum in the years to come. Christine's Hope for Kids was founded to continue the legacy of the late Christine Gianacaci, a 22-year-old Lynn University student hailing from Hopewell. Christine had a passion for helping children in need and was fulfilling that passion on a January 2010 mission to Haiti when her life was tragically taken by a catastrophic earthquake. Her determined pursuit of spreading hope to children led us to find the organization in her honor.

180 Turning Lives Around Inc.- For 40 years, **180 Turning Lives Around Inc.** has been the sole provider of services to victims of domestic and sexual violence in Monmouth County. In fact, in 1976, we opened the first federally funded battered women's shelter in the United States. 180 continues to provide life-saving services through emergency shelter, transitional housing, therapeutic service to children, court advocacy, counseling and hotlines to thousands of victims of domestic and sexual violence each year, including the statewide helpline for children and teenagers known as 2NDFLOOR. Since 2006, 180 had only been able to shelter and protect half of the families that were fleeing domestic violence in Monmouth County. Determined to meet our community needs, we undertook the initiative to build a new facility, the result of which was a 17,000 square ft. 12-bedroom, 45 bed safe house which opened in February 2016. It is the largest shelter for victims of domestic violence in NJ.

Metropolitan Golf Association Foundation: Since its founding in 1991, the MGA Foundation has impacted thousands of young people through Caddie Academies, GOLFWORKS, The First Tee of Metropolitan New York and Junior Competitions. Educational programs for clubs and a library and archives center at Golf Central help fulfill our mission to help preserve the game's past and protect its future. Our Mission is to offer young people from all our communities' life changing experiences through golf. Innovative programs reflecting the values and traditions of golf provide a great education and a solid link to future opportunities.

This prestigious tournament will be limited to the first 150 players that sign up to play on our brand-new facility at Upper Montclair Country Club. The tournament will be open to our members and Corporate Partners prior to June 15th. It will be open to our club suppliers, HFTP, Metropolitan Chapter, Philadelphia Chapter, and NYC Chapter as well as our many corporate allies and friends after June 15th. Our target audience is vast, and this tournament will sell out quickly. Therefore, I urge you to sign up today and come enjoy an experience unlike any other. I look forward to seeing you there!
