**CLUBSAFE**

Safety Programs *for* Clubs

**Patrick A. Roselli**

**Bio Brief**

Patrick is the President and founder of ClubSafe, Inc., a Boston based consulting firm that specializes in emergency preparedness and employee health and safety for the private club industry. Prior to his role with ClubSafe, Patrick spent over 25 years in emergency medical services (EMS). During those years he was a field Paramedic, an EMS Director in Massachusetts, and served on several state and international EMS Boards. Pat has been an EMS Consultant for 9-1-1 systems, state and local governments, and the U.S. Military. As the senior member of the ClubSafe Consulting team, Patrick now dedicates his time to helping private Clubs achieve a high level of emergency preparedness and OSHA compliance.

**Susan Anderson**

**Bio Brief**

Susan Anderson has been a valued Consultant for ClubSafe, Inc. since 2002. A former Certified Athletic Trainer and Physical Therapy Assistant, her current role is as a Senior Safety Consultant. Her responsibilities include: Club evaluations and assessments, Management and staff training and the development and implementation of both Emergency Response and Employee Health & Safety plans. Susan is an American Heart Association certified instructor and licensed Healthcare Provider as well as an Authorized OSHA Instructor.
