Who are we?

Founded in 1937 as an affiliate chapter of the Club Management Association of America, the New Jersey Chapter has been committed to the support and development of the state's professional club managers. Representing more than 165 members in 75 clubs, the NJ Chapter maintains a full schedule of education along with many social and recreational activities for its members and friends.

NJCMA Mission Statement

NJ Club Management Association promotes and advances the profession of club management by fulfilling the educational, fraternal, social, recreational and related needs of its members.

What do we do?

The NJCMA promotes the professional development of its members through networking and communicating with fellow managers within the industry. We are dedicated to the advancement of the student chapter at Fairleigh Dickinson University and the University of Delaware. Encouraging and supporting students through internships, job fairs, and other educational opportunities. We support the New Jersey Club Foundation financially and socially through the annual golf outing and vendor trade show.

We organize, facilitate & support social events for our members such as:

- Food and Wine Experience (Taste of the Private Club Chefs)
- Wine Luncheons & Dinners
- Holiday Party
- Annual Workshop Welcome Social
- Annual CMAA Conference Social

New Jersey Club Foundation

Established by the New Jersey Club Management Association in 1996, the New Jersey Club Foundation is a non-profit organization incorporated under the laws of the State of New Jersey. The Board of Directors consists of twelve members: eight CMAA New Jersey Chapter members, a financial advisor, a student/faculty advisor, and two individuals from club-related industries.

The NJCF supports educational programs for club managers and assistant managers to further the club management profession. It provides financial assistance to individuals from the public sector, interested in the club and hospitality fields and in doing so create a greater public awareness of professional opportunities. NJCF promotes the club management profession through academic programs offered by community colleges, culinary schools and universities both in New Jersey and other states. NJCF assists in the dissemination of professional information to allied Associations, academic institutions, and other groups involved in the Hospitality field. The NJCF supports a variety of charitable organizations.

Since its inception, and consistent with our purpose and objectives, the NJCF has contributed more than \$300,000 to financially support manager's education, student support and development and worthy charities. The New Jersey Club Foundation makes donations to Board approved charities annually. Recent recipients are: Children's Hospital of New Jersey at Newark Beth Israel Medical Center, NJ Golf Foundation, Advancing Opportunities, 180 Turning Lives Around, St Jude's Children's Hospital and The First Tee.

Funding of over \$40,000 has been provided for student chapter programs at the University of Delaware and Fairleigh Dickinson University. The Foundation has reimbursed more than \$38,000 to member clubs for Business Management Institute scholarships and approximately \$53,000 for hospitality students. A donation of \$10,000 was contributed to the Red Cross Katrina Hurricane Relief Fund, \$5,000 to the Hurricane Sandy Relief Fund, and \$12,500 to the Texas Hurricane Harvey Relief Fund.

The NJCF accomplished its initial goal of raising \$500,000 in endowment funds to continue its mission and, in 2005, the Directors increased the objective to \$1,000,000. A prudent, conservative investment strategy combined with annual fund-raisers promise to put this goal well within reach.

Why partner with us?

If you represent a company whose customers or clients include private clubs, this program is designed for you. The NJCMA/NJCF Vendor Partnership Program provides for companies who's goods and services are used in the club industry flexible opportunities to establish and reinforce relationships with club decision makers. Through a combination of print and digital presence, event sponsorship, social interaction and direct networking, vendor partners can customize a direct marketing strategy that is unique to your company's goals and budget.

How does it work?

Participating companies select one of four levels of participation, each designed to include a variety of advertising and networking components that are scalable to meet the needs of firms of any size. Once a level is selected, each company then has added flexibility with the ability to choose specific events to which they will link their name and direct support. Naturally, initial participation levels as well as support options within each level are chosen on a "first come, first served" basis so the earlier you commit, the more choices your company will have.

The program will run on an annual basis beginning March 1st and ending on February 28th.

How do I sign up?

Any member of the NJCMA or NJCF Board of Directors can help you. You may also contact the chapter's Managing Director, Rosemary Panno (md@njcma.org) who will answer any questions you may have and get your company set up at your desired level of participation. For your convenience we have include a subscription form that can be filled out and returned. You may also sign up on the Chapter Website (www.NJCMA.org)

What are my options?

The Vendor Partnership program offers 4 levels of participation; Platinum, Gold, Silver and Bronze. Each of the top 3 levels has a limited number of participation opportunities and the Bronze level is unlimited. On the next pages are the specific contents of each level as well as a comparative matrix. You will also find the subscription form.
